

Radio Speaker Calls New Negro A Bolshevist

Chicago, Ill., Feb. 25.—(By A. N. P.)—In a lecture over WMAQ, the Daily News Radio Station in this city, Prof. Robert E. Park of the University of Chicago, speaking of "The New Race Consciousness of the Negro," declared that the "new Negro" was not only a radical, but in many cases he was becoming bolshevist. He warned his radio audience that the Negro of America is becoming intimate with and close to the other colored races of the world.

Citizens Commend The Sheriff For Upholding Law

Alexandria, La., Feb. 25.—(By A. N. P.)—Representative Negroes of Alexandria and Shreveport in a public gathering adopted resolutions commending Sheriff Downs for his action in preventing the lynching of Joe Hardy, accused of murder, by a mob of infuriated white men before his trial in the criminal court. The Klan is particularly strong in this section, the office of the Grand Dragon of Louisiana being located in Shreveport.

Loses Foot And Suit For \$10,000

New Orleans, Feb. 25.—(By A. N. P.)—The decision by which W. A. McBride, colored, lost his suit against New Orleans Public Service Company for \$10,904.80 damages for personal injuries has been upheld by the court of appeals. McBride alleged that his foot was cut off when he was thrown from the steps of a street car. The court of appeal judgment stated that "by no acrobatic feat, had he attempted it, could McBride have swung his feet forward and under the wheels of the car." Despite the judgment of the honorable court that it could not be done, McBride has only one foot, the result of the accident.

It Can't Be Done

New Orleans, La., Feb. 25.—(By A. N. P.)—Wilfred Williams, Negro, attempted to fill his automobile tank last night. In one hand he carried a lighted lamp; in the other was the can of gasoline. Today he has no automobile and only one hand—the blamed thing exploded.
